

Bradford Bulletin

Growing a community of happy, confident, life long learners

42a Bradford Street 453 6254 office@bradford.school.nz bradford.ultranet.school.nz/

With all this fabulous summer weather, it has been a great week of outdoor activities and learning. Thank you to all the whānau who helped at the Rooms 3 and 4 Mystery Trip. The children had a great morning out at the Memorial Park playground. This was an awesome way to celebrate reaching their collective community goal of using kind words and showing empathy consistently to others.

We also welcomed back our Year 6 children, camp mums, dads, Mrs Tobin and Mrs Knopp from their week of adventures at Camp Columba! There were many tired smiles all around, croaky voices, and very sparkly eyes as they enthusiastically shared their highlights from camp. I bet there were many who were asleep most of the weekend! Again the weather really turned up the sunshine for everyone which meant a camp filled with outdoor activities. One child shared his special moment of overcoming his fear when abseiling, which at the time was hugely scary for him - but he felt so proud he conquered this and was successful! Great resilience building experiences for life!

We would like to say a special thank you to Mrs Tobin who puts a massive amount of organisation and time into ensuring camp is an opportunity for our Year 6s to grow as individuals and create memories together. Thank you to Mrs Knopp, who was Mrs Tobin's right hand woman and support teacher on camp! A big thanks also to our camp mums and dads who did a brilliant job of supporting children throughout the week. The following comment from a camp mum summed up the experience: *"It truly was an amazing well planned camp, the kids were awesome and it was obvious they had a blast and made special memories, A HUGE thank you to Liz for having me as camp help - those kiddies are so lucky to have such wonderful teachers!!"* And that they are! We have a glimpse of camp on page 5.

Wow! Only 8 and a half days until the end of the 2017 school year! The year has flown. We have a special thank you morning tea this Thursday at 10:40am for all whānau who have lent a hand over the year as parent help in any capacity or at our working bees. We really appreciate your support as a community and this is a small way of saying 'thanks!'. *For catering purposes, please let Sonja at the office know if you are going to attend by the end of today. See you there!*

Remember to mark the night of Monday December 11th on your calendar for this event; further information about this is on page 3.

Enjoy your week everyone!

Role modeling values to our children through our own interactions with others, and through the lives we lead, is a powerful way to support them to develop their own 'moral compass'. Below are children who have shown the school values in their actions and words. Together we celebrated with a hot chocolate and a chat.

Week 7 Values Celebration - Jie-Yan, Soraya, Dragus, Shakaia, Lilyanna

Dragus - "At Christmas I'm going to Invercargill. We're staying at my aunty Jackie's. We're going to a lake."

Soraya - "My Dad said I might be putting the Christmas tree up today! I'm putting some new Christmas decorations on it. On Christmas Day Grandad gives us money to go to the movies or something over the holidays."

Shakaia - "This Christmas day I'm going to my Dad's for 2 or 3 weeks, up to Christchurch. There is a park down the road."

Lilyanna - "My mum went to a different country on the Great Wall - (China). She won a medal for climbing the Great Wall! She bought me a headband with cat ears on it, and she bought ketchup for my Dad. She also brought back lollies and my sister got a panda teddy and bag."

Jie Yan - "We have got a gold star on our Christmas tree!"

Congratulations to our Basic Facts Movers!

Where: Prizegiving is at Kaikorai Valley College Hall at 5:45pm

PrEP Market Night is at Bradford School from approximately 6:45pm (*when prize giving finishes we will all come straight to Market Night*)

This is a very special night where we farewell our Year 6 children and give them our aroha as they head off on their next learning journey. There will be a number of prizes awarded, including each classes 'Whetu Marama' (Shining Star) award. It is a great time to celebrate together our children's achievements.

After prize giving we will head back to Bradford for the Market Night! All children have been working in businesses over the term to create products to sell to the community. These products need to be bought in the Bradford currency of 'Buckaroos'. *The Bradford Exchange Bureau will open on Wednesday Dec 6th, Thursday December 7th and Friday December 8th from 3pm - 3:30pm and then again on Market Night to exchange dollars for buckaroos. \$1 = 2 buckaroos. DISCOVER the JOURNEY

The Summer Spelling Olympics

Lyn Stone and Finnigan here. We wanted to let you know about something we run in the holidays in Mornington.

It's called the Summer Spelling Olympics and it's a series of group sessions in January to help children consolidate and keep their academic gains during the holidays. The emphasis is on fun, but the work is carefully set out to help lift students to their next level in literacy.

The groups are roughly divided along year levels. There are two possible times per week for all levels except high school.

[Head on over to our Summer Spelling Olympics page](#) for dates, times and more details.

Each session is \$50, and can be booked online.

The sessions are not cumulative, so you can come to one or all of them as you wish.
